

SENATE BILL 761

By Kyle

AN ACT to amend Tennessee Code Annotated, Section 8-36-124 and Title 8, Chapter 36, Part 7, relative to improving the retirement benefits of certain Tennessee employees.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 8-36-124, is amended by adding the following new subsection:

(c)

(1) If the board of trustees determines, after reviewing the actuarial valuation as of July 1, 2007, that the recommended employer contribution rate for state employees and teachers is less than the rate in effect on June 30, 2007, any excess appropriation contained in the general appropriations act resulting from the reduction in annual contribution requirements for the fiscal year ending June 30, 2008, shall be utilized by the board of trustees as follows:

(A) To increase the amount of any base benefit improvement adopted pursuant to subdivision (a)(3)(A) from five percent (5%) to ten percent (10%). Any such increase shall be effective January 1, 2008, and shall apply to both active and retired members in the groups and systems referenced in subdivision (a)(3), except as otherwise provided in subdivision (c)(4); and

(B) To provide the increase in retirement allowances provided for in SECTION 2 of this act.

(2) Notwithstanding any provision of this subsection (c) or SECTION 2 of this act, if the board of trustees determines that the excess appropriations, if any, are insufficient to fund at least one fifth (1/5) of the liability for providing the

increases in both subdivisions (c)(1) (A) and (c)(1) (B), then no increase shall be granted under this subsection(c) or in SECTION 2 of this act. If the excess appropriations are sufficient to fund at least one-fifth (1/5) of such liability but are insufficient to fund one hundred percent (100%) of the additional liability, then the increase provided for in subdivision (c)(1)(A) shall be reduced proportionately to the nearest one-half percent ( $\frac{1}{2}\%$ ) and the benefits authorized by SECTION 2 of this act shall be reduced proportionate to the reduction of the benefit provided in subdivision (c)(1)(A) so that no increase shall be given beyond the excess appropriations available.

(3) Notwithstanding any provision of this subsection (c) to the contrary, the general assembly is authorized, at its discretion, to appropriate funds for the purpose of either:

(A) Funding one hundred percent (100%) of the liability for providing the increases in both subdivisions (c) (1) (A) and (c) (1) (B), regardless of whether the board of trustees determines under subdivision (c)(1) that excess appropriations exist; or

(B) Funding an amount which, together with the excess appropriations, would fund up to one hundred percent (100%) of the liability for providing the increases in both subdivisions (c) (1) (A) and (c) (1) (B).

(4) This subsection (c) shall not apply to employees of employers participating in the retirement system pursuant to chapter 35, part 2 of this title, unless the governing body of any such employer, after receipt of the liability information from the retirement system, passes a resolution authorizing the increase and accepting the liability thereof. The percentage increase in

retirement allowances resulting from the passage of such a resolution shall be the same as that established for state employees and teachers pursuant to this subsection (c). It is the legislative intent that the state shall realize no increased cost as a result of providing the increase to employees of employers participating in the retirement system pursuant to chapter 35, part 2 of this title. All costs associated with such increase shall be the responsibility of the respective employer.

SECTION 2. Tennessee Code Annotated, Title 8, Chapter 36, Part 7, is amended by adding the following as a new, appropriately designated section:
